

## CORE CLINICAL ROTATIONS

Handa Medical Group provides integrated learning opportunities for third year and fourth year medical students, clerkship for international physicians and physician assistants. Handa Medical Group is one of the leading medical placement programs that is affiliated with more than 30 hospitals and clinics across North America. We offer clerkship opportunities for core clinical rotations in the following specialties:

- Family Medicine → 6 weeks
- Internal Medicine → 12 weeks
- General Surgery → 12 weeks
- Psychology → 6 weeks
- Pediatrics → 6 weeks
- OB/GYN → 6 weeks
